The Bride's Dream

LENGTH, 825 FEET.

A young couple elopes to get married. When they reach the church it is closed. While the young man is going to get a minister the young lady falls asleep. Her dream is quite sensational and is fully depicted in Moving Pictures.

The young suitor arrives just as the drama of the bride's dream reached its climax. Happy that all was only a dream she embraces her lover and is then united to him in the bonds of matrimony.
